Dear Scott

**Re: Section 4.55 (1A) Modification Application to DA0058/18
161-163 and 185A Fox Valley Road, Wahroonga**

On behalf of the Seventh-Day Adventist Schools (Greater Sydney) Board, we understand that Capital Bluestone is seeking approval to modify Condition 54 of the Development Consent DA00058/18 to extend the term of occupancy from a period of two (2) years to five (5) years.

We have no objection to this application and support its approval.

Both the South Pacific Division of the Seventh-day Adventist Church and Capital Bluestone, who have been engaged to deliver residential housing within Precinct B: Central Church under the approved Concept Masterplan, have been in close consultation with our Board and have made a commitment that any works associated with the display suite will not impede upon construction of the basketball courts, earmarked to commence mid this year for completion early 2020.

Notwithstanding, we expect that the occupation of the display suite once completed will have no impact upon our School and the basketball courts.

As planning and work on the Wahroonga Estate progresses, the School will work in harmony with the South Pacific Division of the Seventh-day Adventist Church and Capital Bluestone to ensure the project progresses with as little disruption as possible to our School community. In turn, both parties have and continue to facilitate the design and construction of the School expansion and facilities for the School such as the basketball courts.

We have no objection to the proposed amendment of Condition 54.

If you would like to discuss any aspects of this letter in further detail, you are most welcome to contact me on behalf of our Schools Board on 02 9868 6522 and TerryJohnson@adventist.org.au

Yours sincerely
